

# EDUCATE EMPOWER GUIDE

EDUCATE your class with current curriculum. EMPOWER students with online resources. GUIDE students to help them reach their goals.

LearnKey is a Certiport Authorized Learning Partner and premier global provider of on-demand education and employability training solutions. For over three decades, their mission has been to create flexible expert learning solutions - solutions that work for everyone because they are not only easy to use, but they are extremely engaging and interactive.

## LearnKey Courseware Powered By GMetrix

Providing educators and students with seamless access to learning and practice tests — all within a single, easy-to-use portal.

Video-based learning can significantly boost students' ability to retain information, especially when preparing for certification exams.

### Benefits to Instructors

- Flexibility for multiple learning levels
- Advanced students can move ahead
- Lesson plans
- Workbook answer keys
- Improve pass rates
- Weekly live webinars

### Benefits to Learners

- Video-based learning
- Workbook activities to reinforce learning
- Study guide - personalized learning plan
- Study guide - direct links to objectives videos

***Learners retain 95% of a message when they watch it in a video, compared to only 10% when reading it in text.***
