

**QUICK LINKS**

**Learning Content Resources**

**Masterskill Global Vendor Resource Sheet**

*This Excel spreadsheet provides quick access to the official websites, knowledge resources, webinars, and social media channels of the international training vendors whose learning solutions are distributed through Masterskill.*

*Use this guide to explore vendor insights, industry updates, and additional learning resources that complement the training materials available through the Masterskill learning ecosystem.*

*Due to the large portfolio of learning solutions available through our international vendor partners, not all products may be displayed in the Masterskill bookstore or online catalogue. The purpose of these QuickLinks is to provide additional visibility into the broader range of training resources available.*

*If you are looking for a specific product or solution that is not currently listed in the catalogue, please contact Masterskill and we will gladly assist you with the information you require.*

**30 Bird Media** 30 Bird Media – A publisher of customisable IT and business training courseware, providing learning materials that support certification preparation and technical skills development. Their content covers areas such as CompTIA, cloud technologies, IT security, Microsoft Office, and professional skills, and can be branded for training providers.
